The Development Bank of Jamaica, from time to time, will issue Calls for Proposals (CFP) from Private Equity and Venture Capital fund managers, seeking to establish funds for investments in Jamaican businesses. These CFPs include the recently opened Call for Private Equity SME Fund managers, under the [SERVE JAMAICA PROGRAMME](#).

As we seek to develop the knowledge levels and responsiveness of fund managers to these CFPs, we shall be hosting a complimentary, virtual, INFORMATION SEMINAR. Interested, prospective fund management teams are invited to register for this event.

**OBJECTIVE:**

- ▶ Encourage participation in the bid process by qualified fund management groups
- ▶ Increase understanding of the DBJ's evaluation and selection process
- ▶ Significantly improve fund manager capability to prepare high quality bids reflecting their expertise and resources
- ▶ Significantly improve the effectiveness of the fund manager selection process – currently and in the future
