## GOALS OF THE TLSDP

- Goal No. 1:** Establish a shared vision for Trelawny by identifying development issues, challenges, resources and needs.
- Goal No. 2:** Organise and enhance an effective decision-making process and encourage active participation at the local level.
- Goal No. 3:** Coordinate projects and activities for local implementation that promote sustainable use of resources.
- Goal No. 4:** Monitor and evaluate the progress of projects and activities to be implemented.

## TRELAWNY LOCAL SUSTAINABLE DEVELOPMENT PLAN

The Trelawny Municipal Corporation is taking the lead role in the preparation of the Trelawny Local Sustainable Development Plan (TLSDP). The TLSDP is geared towards exploring opportunities for further development, investment and employment within the Parish.

The Falmouth Courthouse

## GUIDING PRINCIPLES TO THE TLSDP

## BENEFITS OF THE TLSDP

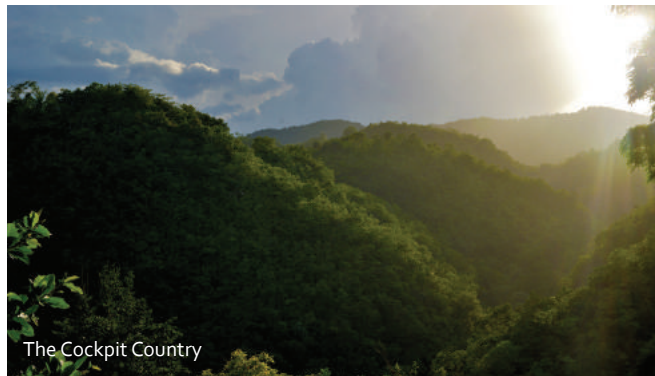

- Provision of economic opportunity and growth;
- Protection and preservation of the natural resources in the Parish;
- Develop and promote heritage/cultural tourism, sports tourism, natural health tourism and business tourism;
- Fosters community interaction and community development by improving social services;
- Utilising resources in the Parish to improve economic base;
- Increased participatory governance, transparency and involvement of civic organisations.

## WHAT CAN I DO?

- Tell family, friends, and neighbours about the TLSDP
- Support the TLSDP
- Assist with the coordination and organisation of meetings and workshops
- Participate in the various community meetings and stakeholders workshops
- Share ideas and suggestions
- Keep informed of activities and projects of the TLSDP

## WHAT IS THE TLSDP?

The Trelawny Local Sustainable Development Plan is a tool to guide the Local Authority to manage the orderly growth and development of the Parish by identifying areas of improvements and opportunities and the strategies to achieve the goals and objectives of the parish of Trelawny.
